Thank you for your patience and cooperation as we work to improve service reliability in your neighbourhood.

WHAT TO EXPECT

You may experience dust, noise and other inconveniences as a result of the work for this project. We will make efforts to reduce the impacts to you. Your patience is appreciated.

PROJECT STAGES

	<p>1. Design</p> <p>The design stage is when technical staff plan on how to get the new power supply to your home or business.</p>
	<p>2. Civil</p> <p>The civil stage is when crews dig into the ground to place poles and pipes (conduit).</p>
	<p>3. Electrical</p> <p>The electrical stage is when crews switch over from the old to new wire system.</p>

WORK DETAILS

	<p>Work hours</p> <ul style="list-style-type: none"> • Generally, work on this project will take place Monday to Friday, between 7 a.m. and 7 p.m. Weekend work may occur.
	<p>Road and sidewalk access</p> <ul style="list-style-type: none"> • In order to complete the work in a safe manner, there will be road and sidewalk restrictions within the construction work area • In the event of any parking restrictions, advance notice will be provided
	<p>Tree trimming/vegetation</p> <ul style="list-style-type: none"> • To accommodate the new hydro infrastructure, our contractor may be trimming a number of trees on city property • Crews will take extra care and precautions around your property when doing this work • Any trees near electrical lines will be trimmed with care • To help ensure the safety of our crews and equipment, please don't plant landscaping (shrubs, trees, flowers, etc.) near Toronto Hydro equipment. Crews must have unobstructed access to the equipment

SAFETY TIPS

Public safety is a top priority for us. We ask that you are careful around construction areas.

	<p>Always . . .</p> <ul style="list-style-type: none"> • Be alert around construction sites and never enter an area marked by fences or safety cones • Be visible at all times and make eye contact with people operating equipment • Be aware of your surroundings and avoid distractions like using your cell phone • Follow all safety signage, even if there are no construction workers around • Walk on the sidewalk or designated walkway • Ask for assistance to walk around the construction area if you feel you're unable or uncomfortable • Watch your step! Always be prepared for unexpected hazards • Report anything that looks dangerous to a construction site worker, or call 416-542-8000
