Dear Councillor Karygiannis,

Re: Thank you

On behalf of Unifor's National Leadership, I would like to express our deepest appreciation for your generous donation of face masks and personal protection equipment (PPE) to Personal Support Workers in the GTA yesterday evening.

Unifor is incredibly proud of our frontline workers who work tirelessly and selflessly to support the most vulnerable in our society. Your donation recognizes the importance of providing these workers with proper PPE, and moreover, acknowledges the incredible risk these frontline heroes take everyday to protect and care for patients.

Thank you for your generosity and solidarity.

Sincerely,

Jerry Dias
National President
